

WARRIOR TRAILS

By Robin Newcomer

Well, we really lacerated the Lennox Lancers! Our boys made football look easy Friday night. The Sea Kings from Palos Verdes will be our next and last hosts for the football season this Friday afternoon. Let's hope our team's skill, sprinkled with a little luck will help us to be victorious in our last game.

Have you ever wondered who would be your ideal date? Wonder no more — you can find out by going to the senior-sponsored computer dance this Friday night from 8:30 to 11:30. For 50 cents (75 cents without an ASB card) you will be matched with a person whose interests and personality are similar

to yours. If you have already found your ideal, come anyway and dance to the swinging music of The Royal Teens. The last club day rally will be held next Wednesday. This is the last time clubs will be given school time to organize their business. All other meetings will take place after school. Add something to your school life — join a club.

THE cross-country team also defeated Lennox and Hawthorne last Thursday. Mike Sellers came in first, of course, and also true to his nature he broke another record. (How many does that make?). The speedy Bob

Cooper, Tom Reed, Dave Young, and Jim Tobin jaunted in only two minutes later, and succeeded in placing five men in the top seven. Jim Tobin led the Junior Varsity to a perfect score and Ron Johnson, a freshman running on the sophomore team, led the sophomores to a victory. The frosh also beat their competitors, with DeHanson in the lead. Tomorrow the cross-country team competes for the Pioneer League title at Centinella Park.

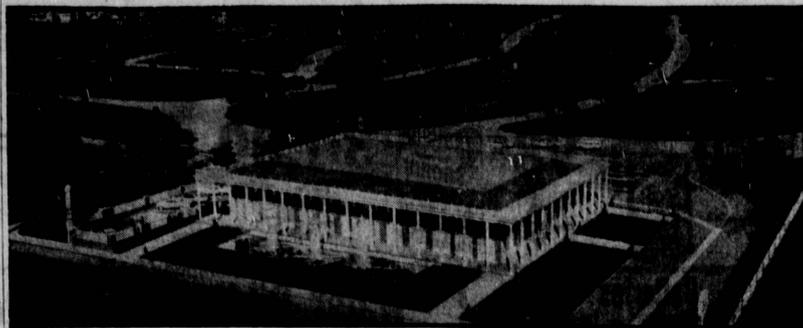

DON'T FORGET to buy your Scholar Quiz bus tickets for this Sunday's taping of the show. This is another way to show our school pride and spirit and this will be on television! There are only 100 seats available, so hurry. Juniors, how would you like to win a senior sweater? It isn't hard, all it takes is a little creativity. A class em-
